**Supporting male survivors of childhood sexual abuse**

# The Dartington Hall experience July 4th - 6th 2025

A healing journey amongst adult male survivors.

## What to expect

This weekend workshop is for non-offending adult male survivors of childhood sexual abuse, rape, physical violence, emotional abuse and /or neglect.

Our goal is to offer a safe, encouraging environment of healing. The weekend will provide a variety of healing activities,

including the sharing of stories, writing exercises, anger work and other emotional expressions, small group discussion, relaxation and yes, even fun and is for men who are actively engaged in recovery work. It is not a substitute for therapy.

Feedback from men who attended last year's workshop.

## *“The workshop was deeply healing and supportive,”*

*and I am continuing to benefit weeks and months later. Mike and Thom's facilitation was very well held, insightful and sensitive. Meeting other survivors and hearing their stories, making friends and sharing experiences is an essential part of a much larger healing journey, and I feel very lucky to have been a part of this.”*

*“The Dartington residential weekend was an incredible and unexpected experience, filled with learning, connection, and creativity. We shared stories, embraced new opportunities, and expressed ourselves in meaningful ways. Throughout the weekend, the focus on wellbeing and healing was ever-present, and the facilitators, Mike and Thom, expertly guided us through a range of techniques that nurtured these themes. Importantly, we were given the freedom to engage at our own pace, which created a supportive and inclusive environment for everyone.*

*“A wonderful weekend: challenging, important, healing, compassionate”*

*“Thanks so much to all of you for such a powerful workshop. Along with the tears and laughter, I gained so much and it's staying and I hope it is the same for you. ”*

*“I am grateful to everyone who helped me to climb so many more steps on the ladder of recovery during the weekend.”*

*“Mike, I can't thank you enough for the positive impact you all had on me. You have helped me more in 3 days than I have done for myself in 40 years. You are a life saver. ”*
