

Hello friends

WELCOME TO OUR BRAND NEW EDITION OF *BEYOND THE SILENCE*, the quarterly magazine from [WE ARE SURVIVORS](#).

For this edition - **The Knowledge Issue** - we're celebrating why having the facts and reliable research allows us to make sure men and boys who have experienced sexual harms get the support they need. We also have an essential guide to men's health, how you can get involved in this year's Manchester Pride Parade and all the usual news and updates. Get the knowledge!

You can pick up a copy of *Beyond The Silence* at our office, and from key venues across Manchester. Or you can download and read your copy right now! All the details are below.

We'll be back with a new issue in July. In the meantime, here's your sneak preview of Issue Six...
